

"Day 5 - Testing and Backend Refinement - [e-commerce-furniture-website-furniro]

Step 1

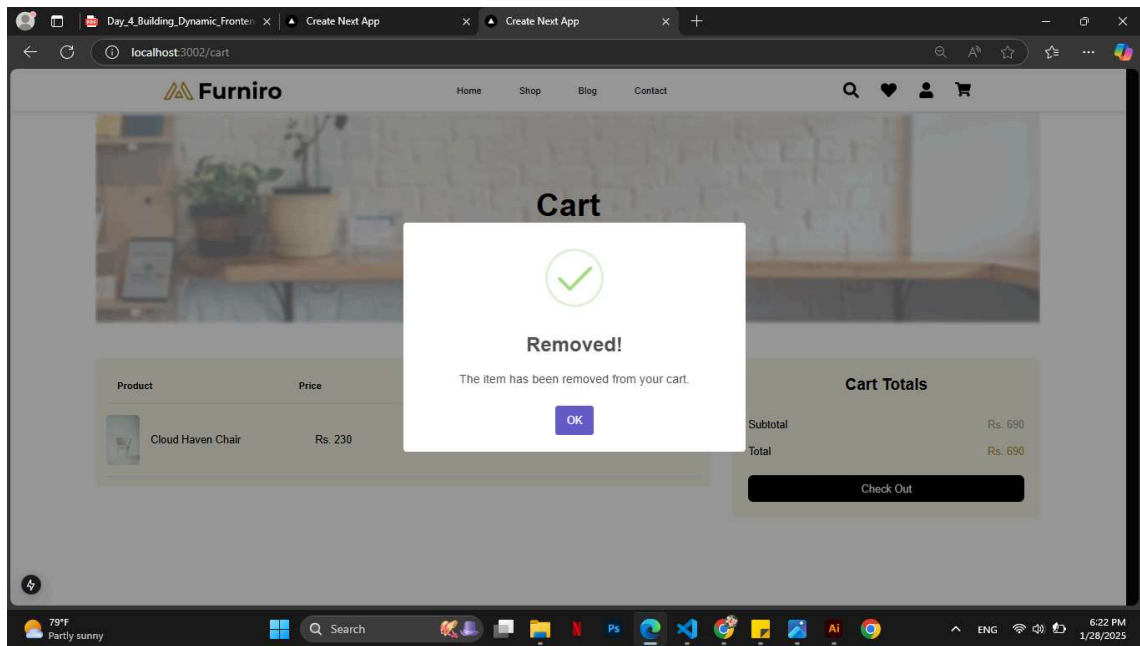

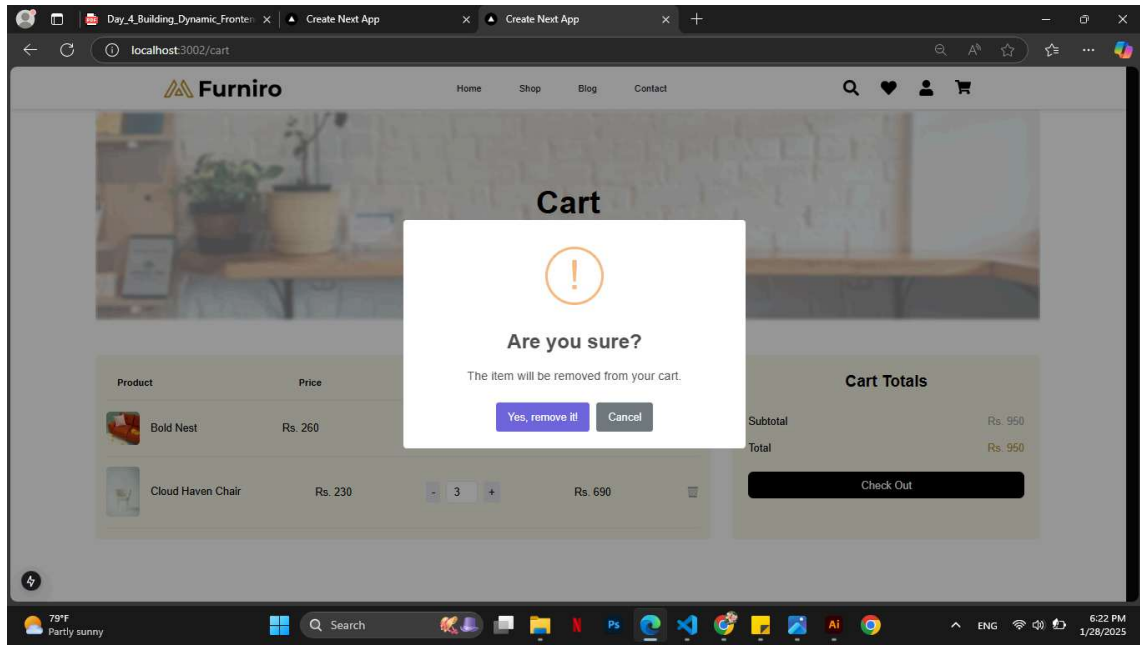

Functional Deliverables:

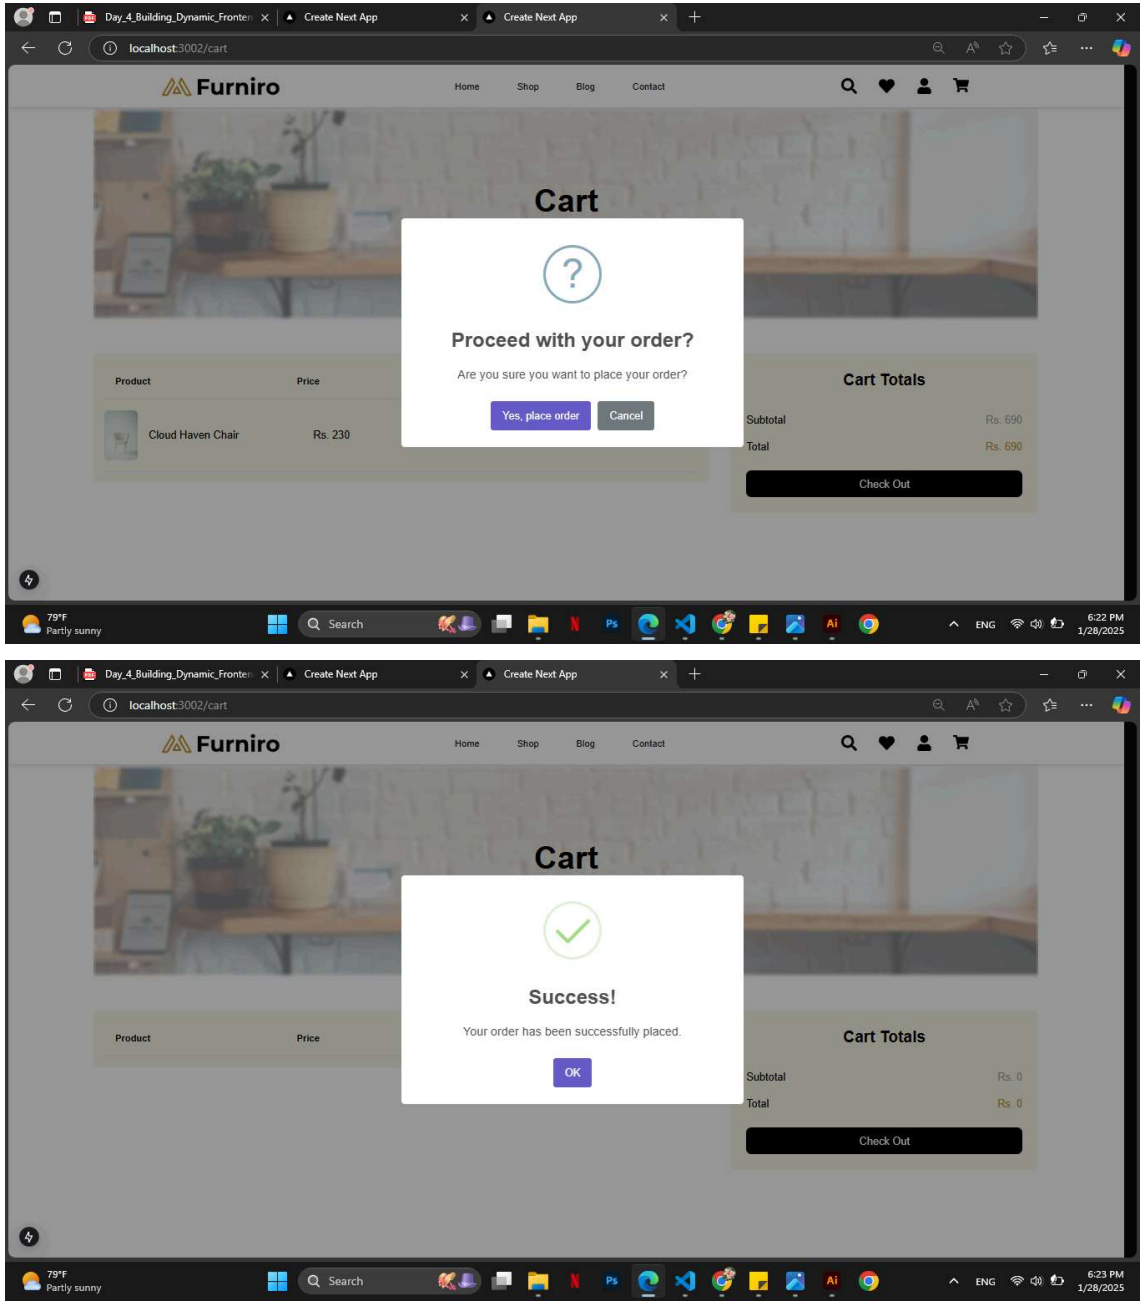

The add to cart button and pages are responsive the functionality of pages is working well

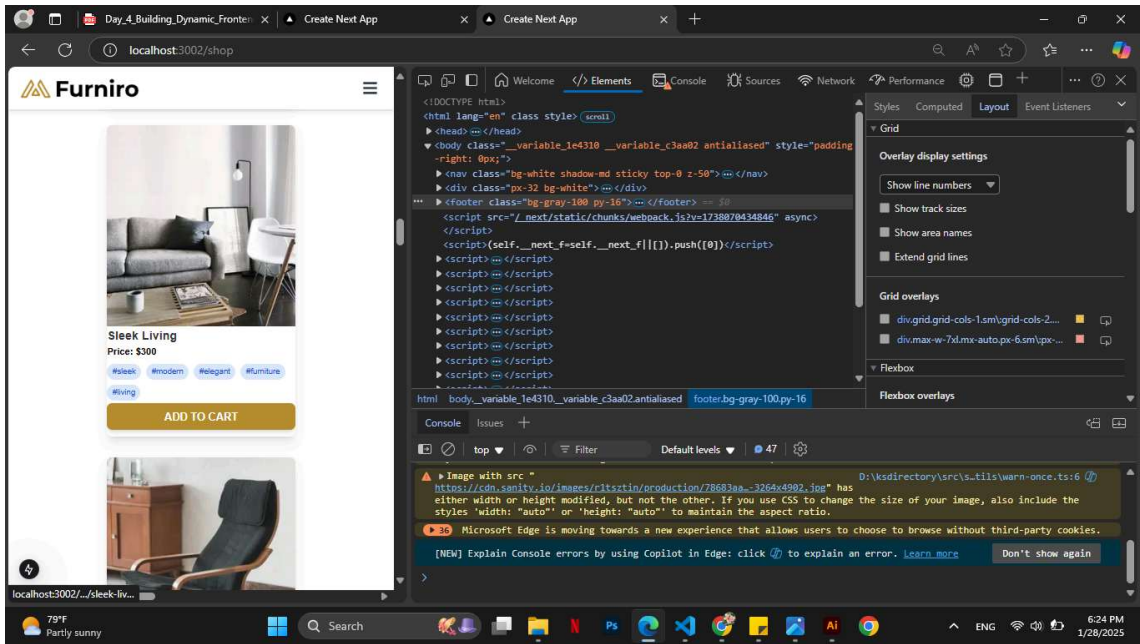

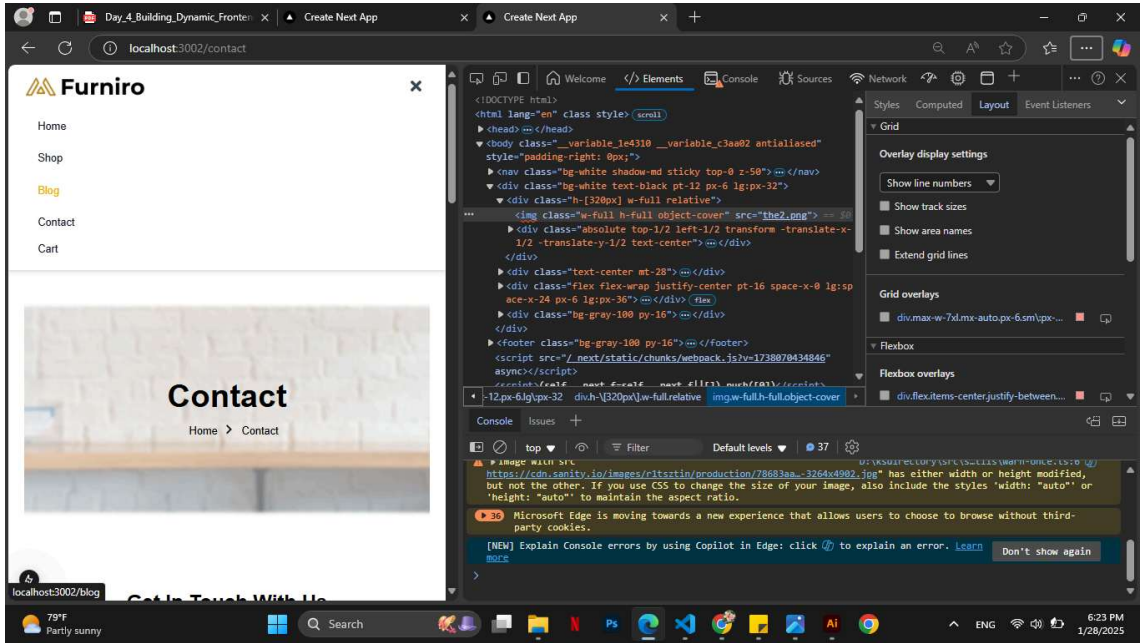

The cart is responsive and it is fully functional you can add the items increase their numbers or decrease them if you want You can remove any specific item from it ,it will confirm

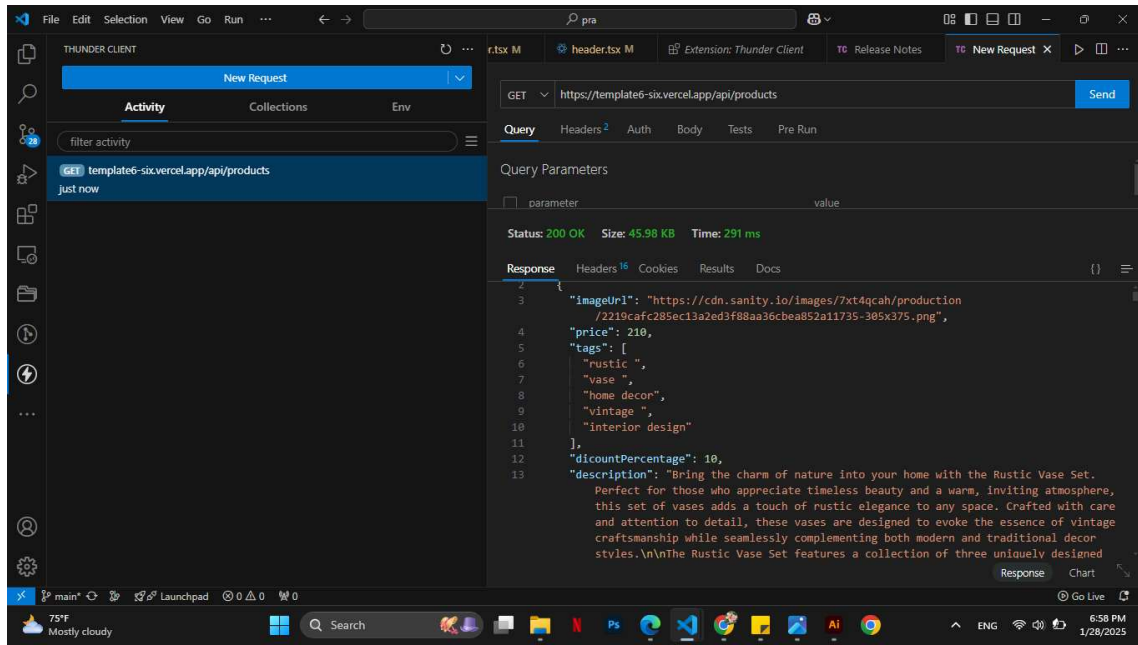

It also throws an alert message

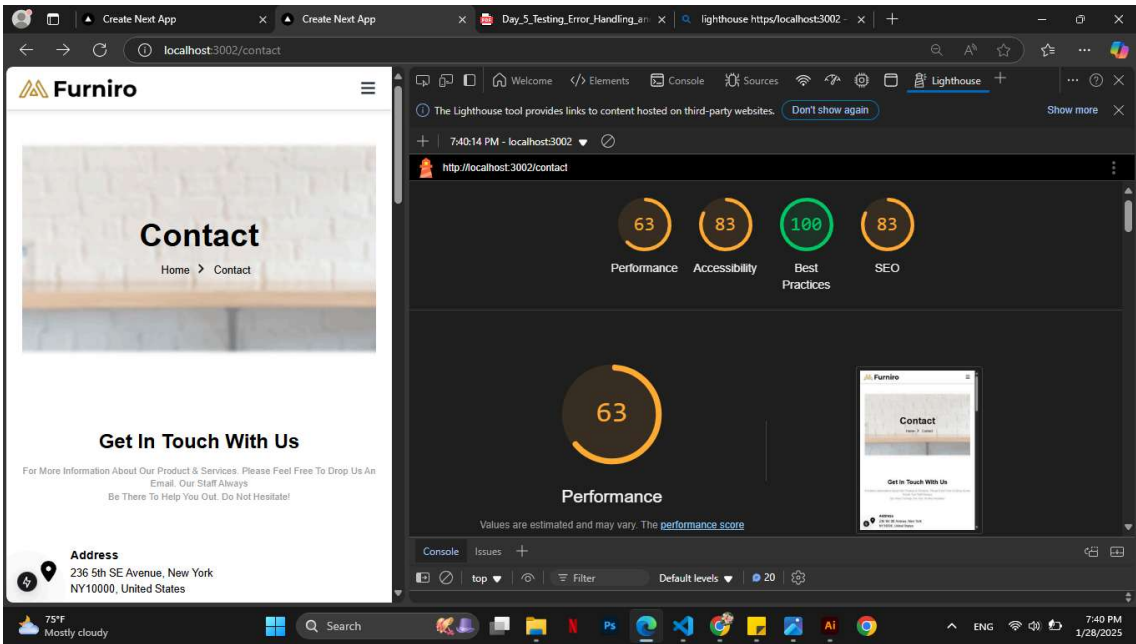

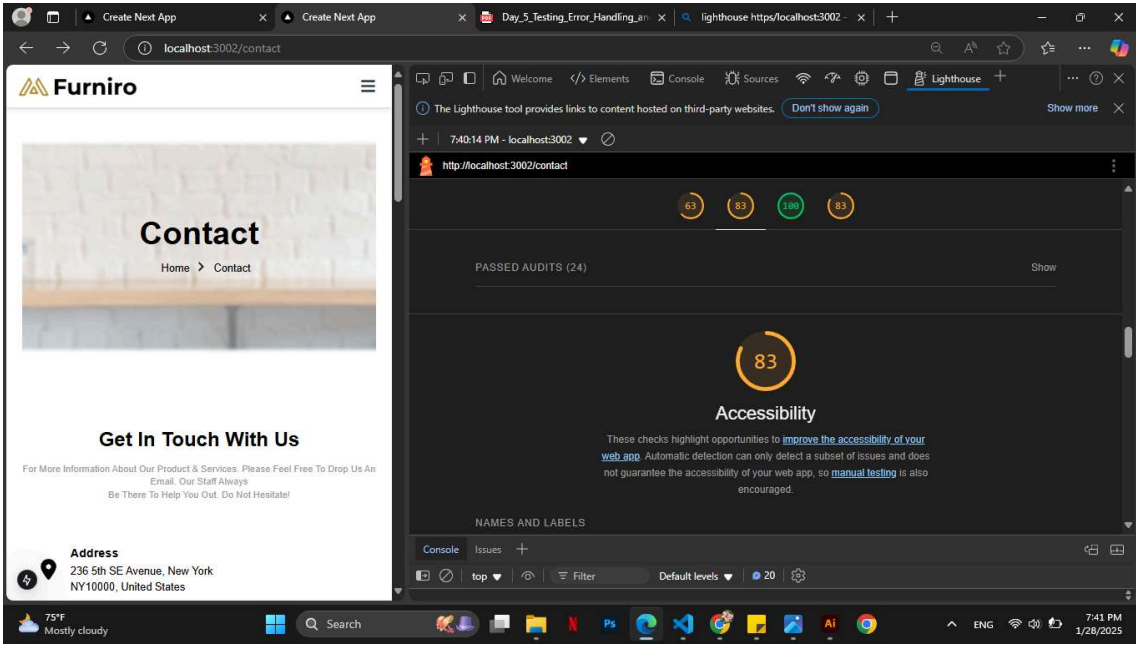

The pages the fully responsive

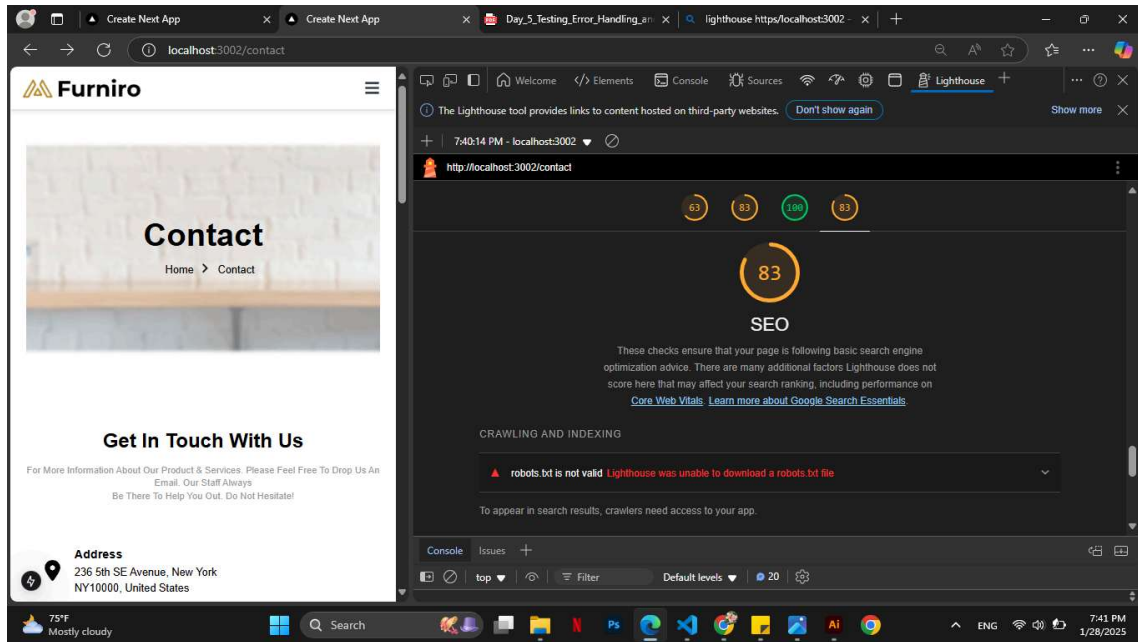

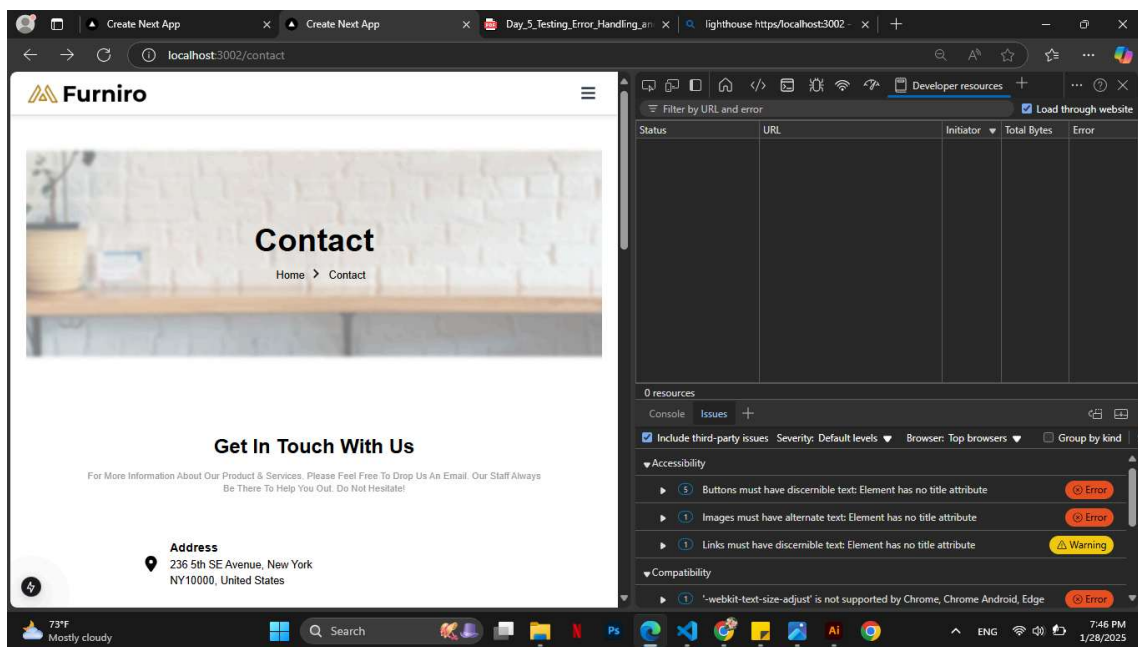

Test Case ID	Test Case Description	Test Steps	Expected Result	Actual Result	Status	Severity Level	Assigned To	Remarks
